

## Introduction

Aadesh Creation specializes in creating comprehensive data solutions tailored to client needs. Our expertise spans various tools and technologies, including Excel, Power BI, PowerPoint, HTML, Java, DBMS, file queries, Python, SQL, and more. Whether it's developing a data-driven dashboard or performing detailed data analysis, we ensure to meet and exceed client expectations.

# **Data Preparation and Dashboard Creation**

Upon receiving client data two days in advance, we meticulously clean and replace the data, remove duplicates, and perform other necessary preprocessing steps. This ensures that the data is accurate and ready for analysis.

We then use this refined data to create a comprehensive and visually appealing
